

REMARKS

Applicants have amended claims 1, 14, 16, 19, and 31 and canceled claims 41, 42, without prejudice, to more clearly point out the present invention. All the claims on file are in condition for allowance.

Applicants thank the Examiner for the allowance of claims 1-4, 6-12, 14, and 16-18.

The Examiner has rejected claims 19-22, 24-40, 41, and 42 under 35 USC 101. Applicants respectfully submit that claims 19 and 31 have been amended to distinctly recite physical objects that represent a manufacture within the meaning of 35 USC 101. As an example, claims 19 and/or 31 recite a computer-usable medium, a database, and a user interface.

All the claims presently on file in the present application are in condition for immediate allowance, and such action is respectfully requested. If it is felt for any reason that direct communication would serve to advance prosecution of this case to finality, the Examiner is invited to call the undersigned at the below-listed telephone number.

Date: February 9, 2007
